

The 30th Annual

quiet adventures symposium

Presented by The Quiet Adventures Society ● Michigan State University Pavilion ● March 1, 2025

Each year, outdoor enthusiasts converge onto East Lansing, Michigan to attend the country's longest running, indoor expo, dedicated to promoting non-motorized outdoor recreation and conservation. With an attendance record of over 2,300 and more people than ever exploring the outdoors, we look forward to exploring, learning, and bridging the gap between outdoor activities even more in 2025. There are opportunities to exhibit, advertise, and sponsor this year's symposium and we invite you to join us in supporting our show & our mission!
